What and when is a shotgun start? This means all teams start at a different hole to prevent waiting. [We start at 8.00am](#).

What format will we play? We will play an **Ambrose** format which allows all standards of golfers to mix, promotes teamwork and enjoyment of the day. After each shot the best positioned ball is selected and all players play their next shot from that position. Thus we record one team score per hole.

Do I need to have a handicap to play? No. If you are not a regular player a handicap will be assigned to you on a standard agreed value.

What is a handicap? For some people they blame their clubs! This is a system levelling the competition so regular players are measured against their recorded aggregated personal best. If you don't know about this, don't worry.
